Class II, 60W Medical Power

With Approval of IEC/UL 60601-1 Edition 3.1

Magic Power is pleased to announce our MPM-S050 series have approved by IEC/UL 60601-1 Edition 3.1.

Feature:

- 60W forced air/50W convection cooled
- Compact size of 2" x 3"
- Class II designed, pass EMI class B and Type BF classified
- Efficiency 88%, no load consumption < 0.3W
- Wide temperature range -20°C~80°C

Specification:

Universal input range 85~264V
Output +12, +24, +48V
Line Regulation: $\pm 0.5\%$
Load Regulation: $\pm 1\%$
Ripple & Noise: 1%
