

# MPI-G400 Series Application & Safety update

*Safety Update: LVD 62368-1 Approved.*

**MPI - G400 Series**

**Specification:**

**92%** ↑

- 400W fan cooling 250W convection-cooled
- High efficiency up to 92%
- single output 12V/24V
- Compact size 3 x 5 with high power density
- Wide operating temperature from -20~80 °C
- Meets EMI CISPR/FCC class B.
- PFC meet EN 61000-3-2 Class D and EN 61000-3-3.

## Applications
