

**NEW
PRODUCT**

MPE-S130 series

- Meet UL62368
- Higher Power 130W
2*4 standard size
- Operable at 80°C
- 5V Standby with
Remote ON/OFF Option
- 12,24,48V Single Output

FEATURES

- UL** -Meet 62368 Safety Standard
Meet ITE safety standard IEC62368-1, UL62368-1.
(Official approval expected in Q2.)
- +80°C** -Wide Operation Temperature Range
Operable from -40~80°C with low derating curve.
- Hand** -High Power Density
Output power increased 30% to 130W.
130W fan cooling, 110W with convection-cooled or
with fan cooling at 80°C environment.
- CLASS I** **CLASS II** **EMC Optimized** -EMI Optimized:
Compliant with CLASS I & CLASS II meets EMI
CISPR/FCC class B.
